BANQUET AND EVENT INFORMATION

About Attic Restaurant

Our cuisine is a modern interpretation of dishes from Philippines, Thailand, Vietnam, Malaysia, Indonesia, China, Korea, and more. We strive to use local and sustainable ingredients and always stay true to the cultural identities of each region we uncover.

“Up a flight of stairs from a downtown San Mateo bar, Attic looks like a bookish coffee shop: The restaurant’s low ceilings, comfy couches, glass cabinets and bookshelves hint at a place where you can while away the afternoon over a page-turner and a latte. But the room’s Asian accents - green bamboo framing a carved wooden door, Japanese teapots lining a black lacquered shelf, an antique cabinet full of teacups - suggest a glass of sake instead. And its hours (dinner only) propose an intimate conversation instead of a date with a book.”
